## **PROFILE**

Hello I am Naiara. An award winning designer with a forward vision, designing memorable digital products for iconic brands. I've been building creative digital experiences for over 15 years crafting from brand worlds and websites to interactive apps and digital touchscreens. The recipe: clear and user-centered concepts mixed with on craft designs.

## **EXPERIENCE**

### **Senior UX/UI Designer / Taikonauten**

**Aug 23 – Present, Berlin**

I am currently working for the award winning agency Taikonauten, building user centric experiences while working with VR Bank in their 32 M users' app.

### **Freelance Senior UI Designer / Plan.Net**

**Dec 21 – Feb 23, Remote**

Responsible to define and shape the visual direction and product design for BMW Test Drive. Furthermore being client counterpart for design and prototyping at BMW research sustainability lab, the BMW Homepage and Guideline creation and development.

### **Head of UX / Think moto**

**Nov 18 – June 21, Berlin**

Head of UX, research and product design at one of the top Berlin agencies. Aligning goals with users needs to build branded user experiences. Leading the design team and stakeholders whilst working with global brands like Audi, Tomás Saraceno, Continental, Liveperson, Miles & More and Cognigy.

### **Head of UX/UI / Luxid Media**

**Jan 17 – Jun 18, Berlin**

Leading product & UX/UI vision. Delivering a great seamless user experience across platforms and devices whilst managing a small team of designers. Worked on product and web design, prototyping and A/B testing for apps like Joblift, Giata ...

### **Freelance Art director & Senior UX/UI designer / Kaleidovision**

**Mar 16 – Sep 16, London**

I lead design efforts focusing on Art direction, concept design, UX/UI Design and branding. Responsive websites for the multi award-winning agency Kaleidovision and Fitbox Virtual, CI and corporate design.

## **EDUCATION**

**Bachelor of Arts** with First Class Honours in Digital Media Production. **London College of Communication.** London 2004 - 2007.

## **CERTIFICATIONS**

**Masterclass - Memorable UI Design For Interactive Experiences** by Awwwards. June 2024.
